

Good Morning Marlins Alumni and welcome to the Marlins 50 year reunion. Today starts with the very first Marlins Alumni swim meet to be followed by a pool party at 6pm. We hope you have dusted off your Speedo's and polished up your goggles as this event promises to be fun filled and full of surprises. The Marlins Alumni swimmers at this meet ages range from 18 to 62. Lets hope we don't need to use that defibrillator!

Lets start today's activities by thanking the MCA board for supporting this event we truly appreciated all the work that is done behind the scenes to maintain our wonder Montpelier Pool. The MCA board president is Bob Derrick.

This year, under head coach Brian Abdo, the Marlins this year went 4-1 in the C Division, congratulations to all the Marlins on a fine season.

A little bit of history. The Marlins began in 1968 after the Montpelier subdivision Pool was completed. By 1974 under coach Rich Lichty, the Marlins, competing against other Washington area swim teams won the "A" division.
